Arcadia Publishing. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 9.0in. x 6.3in. x 0.2in. The Land of Orland dates from the pre-Gold Rush 1840s when Granville Perry Swift selected the area for the adobe headquarters of his vast cattle operation. The naming of the town took place in 1875 when three men--who could not agree on a name--put their choices on slips of paper and the name Orland was drawn from the hat. Orland saw a great influx of development in the 1910s with the completion of the Orland Irrigation Project-- the first federally funded irrigation project on the West Coast. With water available at reasonable prices, small dairies and orchards sprang up around the town. Promotional efforts brought new families into the community. Vintage photographs from these good old days give a lasting picture of Orlands agricultural heritage. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
