30 Degrees South Publishers. Paperback. Book Condition: new. BRAND NEW, The Battle of Spioenkop: 23-24 January 1900, Gilbert Torlage, Battles of the Anglo-Boer War series provides an accessible guide to some of the major campaigns, battles and battlefields of this historic conflict in KwaZulu-Natal. The books are written for the general reader as well as for historians seeking fresh insights into the events leading up to, during and after the battles. The text is supported by contemporary accounts and photographs, some of which have never previously been published. Maps show in detail the routes and dispositions of the opposing forces for each battle. Confusion and carnage among the British troops on the summit of Spioenkop followed what began as a successful surprise on the Boers. Under constant, heavy fire the British were forced to withdraw, once again failing to relieve Ladysmith.
