Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

Random House USA Inc, United States, 2004. Paperback. Book Condition: New. Reprint. 175 x 99 mm. Language: English . Brand New Book. A PRESIDENTIAL DYNASTY. AN ARAB TERRORIST ATTACK. DEMOCRACY UNDER SIEGE. Mario Puzo envisioned it all in his eerily prescient 1991 novel, The Fourth K. President Francis Xavier Kennedy is elected to office, in large part, thanks to the legacy of his forebears good looks, privilege, wealth and is the very embodiment of youthful optimism. Too soon, however, he is beaten down by the political process and, disabused of his ideals, he becomes a leader totally unlike what he has been before. When his daughter becomes a pawn in a brutal terrorist plot, Kennedy, who has obsessively kept alive the memory of his uncles assassinations, activates all his power to retaliate in a series of violent measures. As the explosive events unfold, the world and those closest to him look on with both awe and horror.
