Gentlemen: The Chicago Bureau of Public Efficiency submits herewith a supplemental report upon the office of Sheriff of Cook County. In preparing this report, the Bureau has not confined itself to the single aspect of the matter with which the Judges are required by the Constitution of the State to deal - that of fixing the number of employees. It has aimed to carry on a comprehensive study of the office and to make a presentation of facts and conclusions of interest to the general public and to the appropriating body of the county, the Board of County Commissioners, as well as to the Judges.
