PILLARS OF SOCIETY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Pillars of Society The governing fact about King George is that he is a sailor. He was trained not for a throne, but for the quarter-deck of a battleship. During those formative years, when most boys are playing cricket and conjugating amo ashore, he was tossing about the Seven Seas, swarming up the yardarm or stoking the fire, calling at strange ports in far-off land, learning the rough lessons of the sea, and sharing the wholesome comradeship of plain men. It was a hard school; but no king ever had a better. It brought him face to face with realities. He saw the meaning of duty and discipline, learned to respect those who labour with their hands, and entered into the life of the common people. He owes this advantages to the fact that he had the good fortune not to be born the heir to the throne. He escaped the artificial training of monarch in the making. His father s childhood had been a torture. He was surrounded by influences and by ponderous and learned souls. He received long written explanations from his father and mother on the minutest matters of conduct. He was watched day and night, haunted by guardians and tutors, was not allowed to read novels - not even Sir Walter - and did not play, for the had no play-fellows.
