By Sylvain Balteau

Icon Books Ltd. Paperback. Book Condition: new. BRAND NEW, Monsieur Le Vet: My Life with Animals in Rural France, Sylvain Balteau, Sylvain Balteau works as a village vet in the Pyrenees. Equally at home with a sick hamster as with a pregnant Charolais cow, he is permanently on call, immersed in the dramas of his patients and their owners. Since 2007 he has kept diary, revealing the hidden side of a vet's life and the richness of his surroundings: a piglet that has become a disadvantaged person's only reason for living; a cat that arrives on Christmas Eve to be destroyed and leaves the next day in full health; the mare dying peacefully under a tree; the farmer's wife on the verge of a heart attack who insists that the vet see her sick cow first. Through his work with their animals, Sylvain gains a privileged insight into the people who live with them. In this profound and unsentimental book, he discovers that, in order to love animals, you can't help but love people as well.

Very good electronic book and valuable one. It is actually written in basic words instead of difficult to understand. I discovered this ebook from my i and dad encouraged this publication to discover.

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
