Fantagraphics, United States, 2014. Hardback. Book Condition: New. Reprint. 310 x 229 mm. Language: English . Brand New Book. Perfect Nonsense tells the complete story behind one of the most innovative and under-rated Golden Age artists, classic children s illustrators, and nonsense poets in American history. For more than 50 years, George Carlson created thousands of distinctive and dynamic cartoons, comics, riddles, and games that thrilled both children and adults with their fanciful spirit and nonsensical humor. There has never been a career retrospective of this startling cartoonist and illustrator until now! Carlson s inspired cartoons ranging from the intellectual to the surreal place him at home with not only acknowledged masters of American humor like George Herriman, S. J. Perelman, Milt Gross, Bill Holman, and Jack Kent, but also globally celebrated absurdists like Beckett, Pirandello, and his life-long inspiration, Lewis Carroll. Carlson also made his mark as an accomplished designer of more serious themes including magazine covers, political cartoons, advertisements, locomotive and naval illustration, and, most famously, the original book jacket for the first edition of Margaret Mitchell s *Gone With the Wind*. Now, after more than 15 years of searching, compiling, and conjuring, the incredible depth of George Carlson s artistry and ingenuity finally gets the comprehensive treatment it has so long deserved with copious full color examples of material both exquisite and obscure. Alongside plentiful cartoons, individual drawings, and comics (including Carlson s ghost work on Gene Byrnes *Regular Fellers*), this edition offers a meticulously researched critical introduction, rare examples of original art and unpublished projects, and a biographical timeline of Carlson s first three decades as a commercial artist drawing on recently unearthed artifacts from the Carlson family estate. Perfect Nonsense focuses on Carlson s prolific work as a gag cartoonist, children s illustrator, commercial designer, and art...
