Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Alba House,U.S., United States, 2004. Hardback. Book Condition: New. 179 x 109 mm. Language: English . Brand New Book. A joy to those who were sad, a consolation to those who were suffering, peace to those who were at odds with one another, refreshment to those who were weary from their daily toil, support for those who were poor and a healing balm for those who found themselves in prison. This is the way a fellow religious described the ministry of St. Nicholas of Tolentino. Thanks to Pope Leo XIII who gave him the title in 1884, we remember him today, though, principally as the special patron saint of the Holy Souls in Purgatory. This is a fascinating little biography of a saint whose feast is celebrated by the Augustinian Family throughout the world on September 10th each year.
