Multnomah Press. Paperback. Book Condition: new. BRAND NEW, Ten Days Without: What If Changing the World is as Simple as Taking off Your Shoes?, Daniel Ryan Day, A Rebellion against Apathy. A Strategy for Action. "Life is full of good intentions, but for too many, our good intentions never become good actions-they don't move us forward, draw us closer to God, or make a difference in the world. Good intentions are cans of paint that could have become amazing works of art.but never did." -Daniel Day, in Ten Days Without Daniel Day could tell you all about his love for God and his desire to live as a follower of Jesus. But it took a simple but radical experiment to move from simply talking about it to actually living like it. For ten days at a time, Daniel chose to abandon a certain "necessity"-a coat, a voice, shoes, media, furniture, legs, touch-and to blog about it to raise funds and awareness for organizations that are doing amazing things to make a difference in the world. And then he invited others to join him in the experiments and spread the vision. Together they served God and others-and experienced significant personal change in the process. Ten Days Without is the story of their life-altering adventure. Ten Days Without is a compelling story and practical guide that will equip you and your friends to break through walls of convenience and indifference, and join a movement that is confronting apathy and ignorance around the world to make an impact on people's lives in a God-honoring way. Ten Days Without is where our good intentions end and making a difference in the world begins.
