*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

Teaming up with trail hand Whip Holt, widow Claudia Humphries, and a colorful group of courageous pioneers, Brentwood sets off from New York, heading westward to Independence, Missouri the last outpost of civilization before the unknown and treacherous dangers of a new frontier. Along the way they will form unbreakable friendships, fight unforeseen enemies, and face unimaginable and often fatal odds. But in spite of the hardships and heartaches, the tragedies and triumphs, they will risk their lives to follow their dreams and forge a nation's destiny. This is their story.
