

An Algebra: For Secondary Schools (Classic Reprint)

By E R Hedrick

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Algebra: For Secondary Schools The presentation of a new text on elementary algebra to the public demands justification. It is the author's earnest hope that this book will fill a need felt by many teachers for a book that is at once thoroughly modern, yet conservative of what was good in the older text-books. The drill afforded by the older texts will not be found wanting. The exercises in all instances are numerous, especially in those topics where drill work is needed to develop technique. It is strongly recommended that not all the examples in all the lists be solved on first reading, for the lists have been prepared with a view to reviews, for which some of the exercises should be saved. Omissions from the text, as well as from the exercises, are to be encouraged. The inclination to do everything between the covers of a book-is one of the vicious tendencies of the days when teachers were drillmasters only. Rather let what is done be done with extreme thoroughness. It is...
