Brand New Book ***** Print on Demand *****.An Invitation From Hell is an epic tale of a young woman who had a supernatural experience during a ritual ceremony. Bree, a preacher's daughter, was tired of being pressured by the church and her parents to be a leader. So after graduation she applied to an out-of-state university to take a break from church, or preferably God. Unfortunately, she found herself in the wrong company. Bree began to struggle with her faith when she found herself juggling school and partying with her friends. She deliberately cut communication with her parents to cover the guilt within. Bree knew she was going on the wrong path, but never attempted to repent because she wasn't ready to take that step yet. However, Bree knew that she couldn't run away from God. She had a rude awakening when she found out the dinner party Ana invited her to was a ritual ceremony to worship Lucifer (Satan).
