Reviews

A top quality ebook and the font used was fascinating to read through. It is written in easy terms and not confusing. It's been written in a remarkably easy way in fact it is simply after I finished reading through this publication through which actually altered me, alter the way I believe.

iUniverse, United States, 2008. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.In rural western New York, three-year-old Layla Babcock disappears from her parents mobile home. Her father, Jon Babcock, insists she is lost in the hundreds of acres of state forest land behind their home. But many residents in the nearby village of Welton suspect she has been kidnapped or murdered. Layla s mother, Abby, is deeply despondent and of little help. As the months pass by with no resolution, Abby disappears with her threadbare suitcase and a few belongings, leaving her husband and two teenage sons, Zach and Kyle, behind. Still more questions go unanswered. Did Abby run away from her abusive husband, or was she murdered? The townsfolk of Welton-everyone from the bikers at the Hotel Welton, the local watering hole, to the patrons of the Friday-evening fish fry at Shelly s Cafe-get caught up in the mystery and the family s misery. In the end, the long-awaited answers spring from rather unexpected sources, including angel visions of a cafe cook and the vandalized sculpture of an ex-New York City artist.
