

Guide to the Peabody Museum (Classic Reprint)

Filesize: 2.46 MB

Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Guide to the Peabody Museum The Peabody Museum of Salem owes its name to George Peabody of London who in 1867 gave the funds by which the museum of the East India Marine Society founded in 1799 and the natural history collections of the Essex Institute were combined in an institution in the hands of trustees conducted for the Promotion of Science and Useful Knowledge in the County of Essex. The first act of the newly appointed trustees was the purchase of the East India Marine building, the large hall on the second floor of which was immediately remodelled and refitted for the reception of the combined collections. This work and the arrangement of the objects of the natural history and ethnological departments occupied nearly two years. The rearranged and greatly augmented museum was dedicated to public uses and opened during the meeting of the American Association for the Advancement of Science held in Salem in August, 1869, many eminent scientists taking part in the exercises, including Prof. Louie Agassiz, the founder of the Harvard University Museum at Cambridge. It may be said that three dates just a generation apart mark the periods of development of the present museum: 1799, the founding of the Salem East India Marine Society; 1834, the formation of the Essex County Natural History Society; and 1867, the establishment of the Trustees of the Peabody Museum, and a fourth date again a generation later, marks the greatly extended development of this institution. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books...
