

Space Cadet Topo: The Day the Sun Turned Off (Hardback)

Filesize: 3.19 MB

Reviews

A superior quality ebook and also the font used was interesting to read through. This is for all who statte there was not a well worth reading. I discovered this publication from my dad and i encouraged this pdf to learn.

(Felix Lehner Jr.)

SPACE CADET TOPO: THE DAY THE SUN TURNED OFF (HARDBACK)

[DOWNLOAD](#)

Immedium, United States, 2010. Hardback. Book Condition: New. 257 x 236 mm. Language: English . Brand New Book. Space Cadet 3X-245 (aka Topo) is a do-gooder cosmonaut who monitors the universe from the deck of his space station. When the sun mysteriously gets switched off, he hops into his spaceship to retrieve the Galactic Flame and relight the thing before all the planets freeze up. Striking heroic poses and pointing as gravely off into the starry cosmos as a bucktoothed space mole could, Topo flits around inventive page compositions and elaborate multilevel settings that kids handy at navigating video-game landscapes will love running their eyes over. Argentinean design firm DGPH doles out plenty of ludicrous fun as Topo laser-blasts a random monster blocking the entrance to the sun s control center and finally has to rely on his timid helper bot to save the day. With discreet bits of text scattered about each page, this high-octane sf adventure is better suited for independent readers than for reading aloud, though adults will want to use their best digital monotones to voice Topo s handy Computron. - ALA Booklist What would you do if the sun went out? The brave space cadet Topo searches the universe to discover how to relight the sun s flame before everything freezes forever! Join this vibrant adventure as an inventive hero and his robot friends have fun saving the galaxy. Collectors of limited edition vinyl toys and fans of anime, manga, and plush characters like the Ugly dolls, will adore Topo and his cute crew. As a DGPH fan, I loved it. The artwork is extremely cute, and most of the pages would look great as art prints. I would want Space Cadet Topo and his Bot friends on a t-shirt. - Supah Cute Immedium is...
