An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

Translated by David Wulstan Myatt. From Book 1: The Muse shall tell of the many adventures of that man of the many stratagems Who, after the pillage of that hallowed citadel at Troy, Saw the towns of many a people and experienced their ways: He whose vigour, at sea, was weakened by many afflictions As he strove to win life for himself and return his comrades to their homes. But not even he, for all this yearning, could save those comrades For they were destroyed by their own immature foolishness Having devoured the cattle of Helios, that son of Hyperion, Who plucked from them the day of their returning.
