

The Art of God

Filesize: 2.72 MB

Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

CASCADE BOOKS, United States, 2015. Paperback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.In *The Art of God*, pastor and musician Jimi Calhoun suggests that the master artist, God, programmed diversity into every aspect of the natural order. Today more of us than ever live in closer proximity to people once viewed as different. The multicultural conversation of the recent past has proven to be inadequate to address the present intercultural reality in which we live. The question then becomes, how will we live together? Quite often the presence of difference results in the avoidance of the other. Many accept this as simply a natural occurrence, but in the world of art, difference does not always trigger division. Art encompasses multiple disciplines and forms. Art welcomes diversity within its borders. This book traces the evolution of art and music, then extracts principles from a musical motif to encourage the development of an artistic worldview that recognizes the beauty residing in everything and everybody. Jimi Calhoun, master musician, pastor, and scholar, has given us an enormous gift here. His book is on one hand an encyclopedia on the history and dynamics of music, as well as his personal diary on the art of music. On the other hand it is a book about multiculturalism, again from an informed and academic base and a personal base. . . . Jimi's book is a must-read not only for musicians, but also for anyone who is interested in knowing about the art of God. --Paul D. Kraus, author of *Pastoral Care* Calhoun takes us all on a journey we might think we know, only to discover the depths of insight we lack. Jimi's voice is personable, knowledgeable, and clear with a life...
