Reviews

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be the best ebook for possibly.

Ace Books, United States, 2014. Paperback. Book Condition: New. 170 x 106 mm. Language: English . Brand New Book. Of all those in the King of Alden's retinue, the bloodbinders are the most prized. The magic they wield can forge invaluable weapons, ones that make soldiers like Lady Alix Black unerringly lethal. However, the bloodbinders' powers can do so much more and so much worse. A cunning and impetuous scout, Alix only wishes to serve quietly on the edges of the action. But when the king is betrayed by his own brother and left to die at the hands of attacking Oridian forces, she winds up single-handedly saving her sovereign. Suddenly, she is head of the king's personal guard, an honor made all the more dubious by the king's exile from his own court. Surrounded by enemies, Alix must help him reclaim his crown, all the while attempting to repel the relentless tide of invaders led by the Priest, most feared of Oridia's lords. But while Alix's king commands her duty, both he and a fellow scout lay claim to her heart. And when the time comes, she may need to choose between the two men who need her most.
