BRAND NEW, Born Knowing: A Medium's Journey - Accepting and Embracing My Spiritual Gifts, John Holland, Cindy Pearlman, A Medium's Journey - Accepting and Embracing My Spiritual Gifts. In Born Knowing, psychic medium John Holland explains in his open and candid way how he dealt with his conflict by coming to terms, and finally accepting, his rare ability as a spirit messenger who helps people connect with those who have passed on. Born in the tough suburbs of Boston, John coped with a difficult childhood, where he was ridiculed by his family and society, leaving him feeling isolated because of his psychic abilities. He refused to acknowledge his gift until a near-fatal automobile accident amplified his skills to the point that he had to learn how to control what was once pushed away. Throughout the book, John presents real-life case studies where he discusses his readings with clients, the effect on their lives, and the sense of closure people feel, knowing that their loved ones who have passed on are still with them. The book will also help you discover and develop your own psychic and intuitive abilities, recognize signals from the Other Side, and make spiritual connections for yourself.
