

Remedies of Malnutritional Cancer by Edible Plants

By Govind Pandey

Daya Publishing House/Astral International, 2014. Hardcover. Book Condition: New. Presently, cancer is a burning problem in this westernized `Ultra-Modern Era`. In fact, the `Foods or Edible Plants` can be the best measures for the remedy of cancer. The `Medicinal Plants` (including `Fruits and Vegetables`) have versatile immunomodulatory and anticancer activities. Consumption of the large amounts of fruits and vegetables can prevent the development of several types of cancer. Taking the above views in mind, many important topics like `Malnutrition and Cancer, Malnutritional Anaemia Leading to Cancer, Special Bulletin for Malnutritional Cancer in Animals, Malnutritional Cancer Remedies by Edible Plants, including several Research/Review Articles` have been discussed in this reference book entitled `Remedies of Malnutritional Cancer by Edible Plants`. Henceforth, this book is devoted to the students, teachers and scientists of Veterinary, Medical, Ayurvedic, Pharmacy and other Life Science disciplines related to the cancer and its treatment. Tables of Contents:- Foreword v Preface vii 1. Introduction 1 2. Malnutrition and Cancer 6 Malnutrition Malnutritional Cancer Certain Environmental Substances as Carcinogens 3. Malnutritional Anaemia Leading to Cancer 19 Anaemia: Its Types, Causes, Signs and Symptoms Anaemia in Human Anaemia in Horse Anaemia in Dog Anaemia in Cat Some Animals Cases of Malnutritional...
