Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Bibliography of the State of Ohio: Being a Catalogue of the Books and Pamphlets Relating to the History of the State; With Collations and Bibliographical and Critical Notes, Together With the Prices at Which Many of the Books Have Been Sold at the Principal Public and Private Sales Since 1 A Catalogue of books on any one subject - that is, a bibliography of any branch of literature, with such historical, biographical or critical notes as may add to their interest or value to the reader - possesses a literary interest, as well as a practical use. The Bibliography of Ohio is, in this respect, especially interesting, for it has been said that Ohio, in common with the new States and Territories, would furnish but a meagre subject for the historian or bibliographer. One of this opinion must have reflected little upon the transactions of which the Ohio Valley has been the scene since the year 1673, when the Frenchman first made his appearance within its bounds. During the past eight years spent in the compilation of this work, the author has examined nearly every public and private library where such works were likely to be found, from Boston, Mass., to St. Paul, Minn., and has personally examined almost every volume described in the work. The result is a collection of upwards of Fourteen Hundred distinct titles, relating almost wholly to the History of the State and parts thereof, not including the public documents, which would in themselves form a volume. The number of titles secured, far exceeded the author s expectations, and we believe, far outnumbers any printed list of the books relating to...
