Roadside Geology of New Mexico

By Halka Chronic

Mountain Press Publishing Company. Paperback. Book Condition: New. Paperback. 255 pages. Dimensions: 8.8in. x 6.0in. x 0.7in. The Land of Enchantment, New Mexico is as varied in its scenery as its nickname suggests. With desert lowlands in the south and high, hoary peaks in the north, with rugged volcanic uplands and colorful plateaus, with high plains along its eastern border, and with a great rift valley that quite literally slashes the state in two, New Mexico's landscape tells a dramatic story that spans more than one billion years. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

I just started reading this article ebook. It really is written in easy phrases and not difficult to understand. I am just very happy to tell you that here is the very best pdf we have read during my individual life and might be the very best ebook for actually.
