

War on Terror - How Discourse changed after 9/11

Filesize: 9.6 MB

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Adell Lubowitz)

WAR ON TERROR - HOW DISCOURSE CHANGED AFTER 9/11

Grin Verlag Gmbh Apr 2013, 2013. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Titel. - Seminar paper from the year 2010 in the subject English Language and Literature Studies - Other, printed single-sided, grade: 1,7, Ernst Moritz Arndt University of Greifswald (Anglistik), course: Discourse Analysis, language: English, abstract: [...] The discourse he (re)started, continued or resumed on shaped publicdiscussion and debate surrounding terrorism worldwide . '9/11' has become a termeverybody understands in its conventional sense, as a realm of creativeexpression as Daniel J. Sherman and Terry Nardin point out in their book Terror,Culture, Politics: Rethinking 9/11. Also Shana Kushner and Amy Gershkoff say that'9/11' has become an ideograph in the sense that the historical event represents anattack on the beliefs, values, attitudes and way of life within the United States . Notonly in the English language '9/11' has become a dictum but in many others, too.In this term paper I want to take a closer look on the speech President Bushdelivered on September 20, 2001 as State of the Union Address to a joint session ofCongress. In my analysis I will go through the speech step by step in order to figureout the main points Bush is making. From there I want to continue with its effects andinfluence on the discourse about 'war on terror'. I am mainly referring to NormanFairclough and his interpretations in Language and Globalization and also to KevinCoe et al. and their study No Shades of Gray. With the help of these publications I want to emphasize the impact and the aftermath of Bush's discourse as well in mediaas in society. 32 pp. Englisch.
