Reviews

*A whole new e book with an all new point of view. It is one of the most incredible book i actually have go through. I am easily could possibly get a enjoyment of reading through a written book.
(Nathanael Treutel)*

GOLF FITNESS: 30 YARDS OR MORE IN 30 DAYS OR LESS

Createspace, United States, 2014. Paperback. Book Condition: New. 234 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Can I really add 30 yards to my golf game? Yes. but let me warn you, if you are lazy and are simply looking for a magic bullet solution, this is not the program for you. The simple fact of the matter is this: the 30 Yards or More in 30 Days or Less program is NOT a quick fix. It s a SMART fix to a very complex problem that consequently yields incredibly fast results. Oh, and did I mention that you ll probably even burn loads of fat off while you add distance to ALL your clubs at the same time? That s unheard of. But the reality is I ve had clients do it over and over again, and you will too. At the same time, I want to make sure I m being very clear: make no mistake, this program takes work, and if you re one of these people who can t dedicate 30 days to radically changing your golf game and body - a change that you will be able to enjoy for the rest of your life - then please, do not invest in this system. But for those of you who are serious, those who are ready to put forth the effort, the 30 Yards or More in 30 Days or Less system will absolutely give you every tool you need to immediately DOUBLE your rate of distance gains and experience the yardage gains you deserve - GUARANTEED. Others did it too.and so can you. If you have read everything up to this point, you definitely are not lazy. I think you genuinely want to get better at your golf...
