Supreme among these was the assurance that all the States were to remain united, and that slavery was overthrown. Out of the war came seven years later an international event which was to become a milestone on the highway of progress toward the peaceful settlement of disputes among nations - the Treaty of Washington and the Geneva Arbitration, by which what are known as the Alabama claims, were settled in court rather than on battle-fields. Immediately after the war was laid successfully the Atlantic cable, by which the old world and the new, now at last, tho divided by 3,000 miles of water, had almost instantaneous communication one with the other. The same period saw accomplished the purchase of Alaska; for \$7,200,000, a territory of 590,000 square miles, or more than the area of the original thirteen States, had been added to the Republic.
