PREPARATION FOR TEACHING: A STANDARD COURSE FOR TEACHER TRAINING (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Preparation for Teaching: A Standard Course for Teacher Training The rapid development of teacher-training ideals and the adoption of a standard course have made obsolete courses prepared even so late as 1905, when The Westminster Teacher Training Course was published. To meet present day requirements an entirely new volume - Preparation for Teaching - has been written by one whose long and successful experience in the work of teacher training specially qualifies him for the task. The volume has been approved by the Committee on Education of the International Sunday School Association, which requires that the standard teacher-training course shall consist of not less than fifty lessons, at least twenty of these being devoted to the study of the Bible, and at least seven each to the study of the pupil, the teacher and the Sunday school. It will be noted that the maps printed in connection with the lessons are mere outlines. They have been crudely made in order that they may be the more easily reproduced on the blackboard. In offering to our Sunday schools this new course of teacher-training lessons, the publishers feel that they are putting within their reach a book which will prove valuable and helpful.
