Brand New Book ***** Print on Demand *****.A Doll s House: a play by Henrik Ibsen. The play is significant for its critical attitude toward 19th century marriage norms. It aroused great controversy at the time, as it concludes with the protagonist, Nora, leaving her husband and children because she wants to discover herself. Ibsen was inspired by the belief that a woman cannot be herself in modern society, since it is an exclusively male society, with laws made by men and with prosecutors and judges who assess feminine conduct from a masculine standpoint.
