

Changing Society: A Social and Spiritual Vision for the Year 2020 and Beyond

By Robert L. Menz

University Press of America. Paperback. Book Condition: New. Paperback. 222 pages. Dimensions: 8.9in. x 5.9in. x 0.8in. Changing Society: A Social and Spiritual Vision for the Year 2020 and Beyond addresses the five traditional social institutions (marriage and family, religion, education, politics, and economics) as well as other important social institutions (health care, race, ethnicity, and technology). The editor and contributors provide keen social insights as they consider the current dynamics as well as the historical and future issues of each of these social institutions. This book is unique in that each of the writers approaches their topic from vast professional expertise and from great spiritual awareness (that is, such things as values, essence, meaning, and purpose). With the intention of focus and clarity and by projecting into the year 2020, one can appreciate how Vision 2020 as part of the book's title captures a double entendre. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Completely essential study publication. Better than ever, though I am quite late in starting reading this one. I am very easily could get a delight of reading a composed publication.
