Agd Press, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. Fantasy guys were supposed to remain anonymous. They were supposed to be nothing more than pretty faces. I didn't have time for real. Even though she's ordered 4 pizzas this week, Becca Dahl's interested less in spicy sausage and more in the smoking eye candy provided by her hot delivery guy, Tariq. It's not supposed to amount to anything, but when he proposes a co-ed study break, the sex is hotter than she expected. They both want it to last more than one night, but Becca doesn't have time for a relationship. She's got to finish grad school with honors if she's ever going to earn her dad's praise. But when Tariq's kisses light her up brighter than the Bat Signal, she can't help but say yes to another date. As they spend more time together out of bed, Becca starts to see the man behind the pizza box. They find a connection deeper than their mutual love of comic books and nerdy movie quotes. Tariq shares pieces of himself and he sees through Becca's facade to the pain she's kept hidden for years. Her resolve to hold him at arm's length starts crumbling. But when Tariq shows up at her graduation, setting off her overbearing father, can he convince her that when it comes to a relationship, they've got what it takes to deliver? Disclaimer: Fast, Fresh and Hot delivers chocolate that melts on your hand, not in your mouth, Batman tattoos, angry shower sex, 80s movie references, and a lifetime supply of sexy pizza boy. And lots of steamy, delicious...
