Reviews

A brand new e book with an all new point of view. I have got read and i am sure that i am going to likely to read through once more once more in the future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt: . . . 11 If you want to have low taxes, then you have to be willing to accept and find program cuts that will match the two. So, the main thing is that people will understand that they need to be consistent between their preferences on revenues and spending. Senator Brownback. Too big to fail, has been challenged by some Fed Chairmen, one in Kansas City and other places. Do you think we need to amend that, or allow some of the big financial institutions to go through an orderly restructuring process Chairman Bernanke. Well, Senator, too big to fail, has been sometimes called a policy or a doctrine. It is not a policy; it is a problem. It is a huge problem. It has arisen because we do not have adequate legal powers to safely wind down a large financial holding company or a bank holding company with many divisions, many companies, subsidiaries, many complex interactions with the financial markets. There is a very strong contrast between the powers we have for, say, a small bank - where the FDIC can come in and wind it down in an orderly way - versus the lack of powers we have for dealing with non-banks, including holding companies, insurance companies like AIG, or investment banks like Lehman Brothers. So, for about a year I have been asking Congress to come up with a resolution regime that would allow us to address the safe and sound unwinding of a troubled large financial institution. Under current law, to allow...
