

The Key to Job Success in Any Career: Developing Six Competencies That Close America's Global Skills Gap

By Frank B Leibold Phd

Outskirts Press, United States, 2010. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Improve your future employability options in a troubled economy If you are struggling to find a job, concerned about keeping the one you have or feel that your career has stalled in a dead end job this book was written for you. After 25 years of effort by 18 esteemed professional organizations America's well documented global skill gap has worsened. Faced with the loss of baby-boomer expertise and educational levels current employees will have to navigate multiple jobs and career changes that will require new skills. Leibold thoroughly researches the efforts to close the skill gap and other scientific sources of future required skill-sets and then convincingly presents 6 scientifically derived and validated universal Life-long Transferable Competencies (LTCs) and their interrelated performance process required for a successful job and career(s). He then presents over 60 practical suggestions on how /You can develop the LTCs, improve your career transitions and influence; thereby improving your future employability options. This unique book for the /first time takes research from closing America's Global Skill Gap and uses it to...
