### Reviews

This book may be worth buying. I have read and i am confident that i am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after i finished reading this publication in which actually altered me, modify the way i believe.

#### A POEM IS NOTHING

On Press, United States, 2012. Paperback. Book Condition: New. 216 x 138 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Almost all reviews of this book are fake. This Book s listing has been attacked by a group of copyright Trolls who attack Artists who defend their work against copyright infringers . In a bizarre retribution for On Press successfully prosecuting some of their members and helping other Artists that this group has attacked, they have come here and posted fake and disparaging reviews to bring the Book s ratings down. We do not have to convey to sound-minded and emotionally healthy people how disturbing such behavior is. Unfortunately, Amazon allows people who simply have an account with them to post reviews whether they have read the book not. The disparaging one and two stars reviews we think speak for themselves and to any intelligent person their purposeful intent to harm the book s ratings and the fraudulent nature of their comments is obvious.
